Pet Reminders:

1. When walking pets, do not allow them to walk into the grass or bed areas in front of, between or in the rear of homes, as this is private property. The **only** pet walking areas inside the gate are the large common area by the pool and the immediate areas around the pet waste stations, within approximately 10' of the sidewalk.
2. Please clean up after your pets. Residents are finding pet waste in their yards (see #1, above) and on the sidewalks.

Upcoming Board Meetings:

2. The meeting for the 2019 Budget approval will be Thursday 11/15 at 6:30PM at the Maureen Gauzza Library on Countryway. The agenda for the Budget meeting is in this packet.
